Quick start guide

GN Making Life Sound Better
Connect to power

Plug the base into a power supply, and then follow the voice-guided menu to get connected.

The voice-guided menu will help you connect to your computer or desk phone. For desk phones, connect all cables before following the voice guidance (refer to the following pages).
Desk phone cables

Desk phone without headset port
Connect the cables (as illustrated), and then follow the voice-guided menu to complete desk phone setup.
Connect the cables (as illustrated), and then follow the voice-guided menu to complete desk phone setup.
How to wear
How to use

- Mute
- Answer call
- End/reject call
- Battery status
- Desk phone
- Conference (additional headsets)
- Computer
